

A COMPREHENSIVE VISION FOR THE GREAT BASIN?

Todd Hopkins & Linda Kelly
Great Basin Consortium
January 2013

HOW SIMILAR ARE OUR VALUES?

- ✘ Vision or Mission Statements typically reflect the culture and values of an organization.
- ✘ I gathered 35+ Vision & Mission Statements from Great Basin Organizations.
- ✘ I created a Word Cloud in Wordle
(www.wordle.net).

WHAT DO YOU VALUE?

Two questions on the cards:

- ✘ 1. In 30 years, what might we lose in the Great Basin that is most special to you?
- ✘ 2. What are the biggest risks we need to address now, to avoid these losses?

Answer using phrases, not full sentences

CHANGE:

The transformational
conservation issue of our time

Our future can no longer
be our past restored
